

The presentation, Harley-Davidson Integrates NT into a Novell and UNIX Engineering Environment by Kristine Burns, Hewlett-Packard, and Brian Dellinger, Harley-Davidson was not available as of the publication date of this CD. In order to bring you the best and most up to date and relevant information possible a decision was made to postpone inclusion in the CD and make the paper available at HP's web site: <http://www.hp.com/visualize/programs/interex>. This paper will be posted throughout 2000 for your use, reference, and referral to colleagues.

Or contact the Presenter, Kristine Burns at the following:
